Stand up for Sadia

Grade 6s standing up for Sadia Sukhraj who was tragically killed last week.

THANK YOU

Donating to Mozambique

Thank you for all the second hand clothes which we were able to donate to a local orphanage in Mozambique. The clothes were not sold at the second hand sale, and were donated to Mozambique via Glenridge Church.

“Good luck to all Comrades runners”

Good luck to all our Chelsea parents who will be running Comrades on Sunday. Two of our teachers, Mr Widdows and Miss Mason will be participating. Thank you to everyone who has sponsored Mr Widdows in his efforts to raise money for QASA (Quadriplegic Association of South Africa). Anyone still wanting to sponsor him

has until Friday. Your child simply needs to let his/her class teacher know how much you would like to sponsor per kilometre.

We are nearly at the end of an enjoyable and successful term on the netball and rugby fields, and our tennis players have continued to participate keenly.

There have been many successes in academics with a noticeable improvement in independence with studying using Thinking Maps and other techniques.

If you haven't as yet booked seats for our Musical Moments evening on the 19 June 2018, please do so as tickets are selling fast. The evening promises to be a magical evening of music, dance and drama, showcasing our very own Chelsea talent. It has been an absolute joy to have Miss Anderson back at Chelsea this year.

Our drama students and choir are also hard at work preparing for our concert in the third term. Miss Anderson will be organising some practices to be held during the holidays for those children who will not be away.

Please note that hockey will take place on Mondays, Tuesdays and Wednesdays next term, with Thursdays being dedicated to choir and drama practices for the concert. We are aware that changing choir to a Thursday may affect children's private lessons but hopefully with this advance notice, parents will be able to make adjustments accordingly.

SPORTS NEWS

Dear Parents

The examination period came to an end and our sports programme resumed on Tuesday 5 June. Parents are urged to please take note of the sports programme for the remainder of the term.

Our last netball matches take place on Saturday against Northlands and our last rugby matches for our U9, U10 and U11 teams are against Highbury on Wednesday 13 June. A full schedule of the remaining netball and rugby programme for the term will be found below.

A letter explaining the transport procedure for hockey practices will be sent home to parents this week, in which the arrangements for the transport to Northwood for hockey practices is explained. Parents are once again urged to please support us and encourage your children to please play hockey next term. As with all the other codes of sport, we have to ensure that Chelsea are able to field the appropriate number of teams in order for schools to continue playing fixtures against us. If we do not have the correct number of teams then schools that we would like to compete against will look to fill their fixture list with other schools who are able to give all their teams matches. Unfortunately this will affect all the other codes, including cricket, netball and as rugby.

Sports schedule for the remainder of the term:

1. Friday 8 June 2018

- Junior and senior soccer vs Virginia at Crusaders

WEEKLY CALENDAR

8 - 13 June 2018

"RUNNING FOR THOSE WHO CAN'T"

Mr Widdows is running the Comrades Marathon on Sunday 10 June from Pietermaritzburg to Durban.

He came up with the idea to raise money for the Quad Para Association – QASA. We would like our Chelsea family to become involved in this wonderful initiative.

You can either "buy a kilometre" for R100 in advance, or you can sponsor Mr Widdows for the kilometres he will run at an amount per km (90 km in total).

We will collect the sponsored money when the Comrades is finished.

The money can be sent to the class teacher in a labelled envelope or payment can be made via EFT through the Chelsea account, with the clear reference: "COMRADES" and the kilometre you wish to buy.

Mr Widdows' running number is 48255 and he can be tracked whilst running the Comrades by going online and punching in his number.

Please support this wonderful initiative of

"Running for those who can't!"

NATURAL SCIENCE

Science group work in the quad

Grade 4 du Preez divided into groups to learn about different materials during their Science lesson, eg. plastic, metal, fabric, glass and wood.

They presented their knowledge to the class afterwards.

OLIVER'S TRAVEL

Travelling to Castleburn

Leah Farrington, Mae and Olivia Wells visited Castleburn Resort in the Drakensberg for a weekend with Oliver.

The girls took part in putt-putt, horseback riding, scavenger hunts, rock paintings, an ice-cream eating competition and roasting marshmallows on the fire, just to name a few.

Leah, Olivia and Mea each won different competitions that they took part in over the weekend, and won some lovely milkshakes.

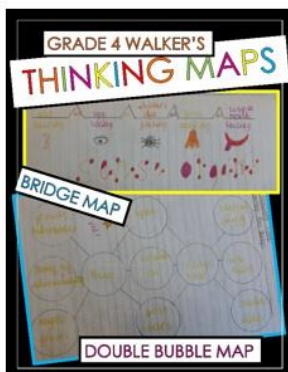

They climbed trees, played board games and ran around like happy, free children. They got to see some snow on the mountains in the distance too!

GRADE 4

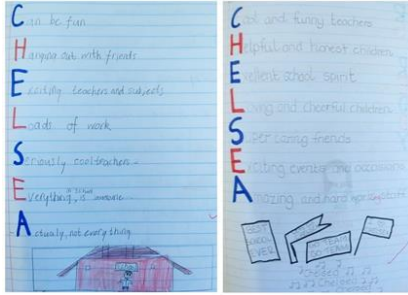

Thinking Maps

Grade 4 designed their various thinking maps: bridge map, double bubble map, bubble map, circle map and tree map.

GRADE 5

Acrostic Poems

The Grade five children have learnt how to write acrostic poems. An acrostic poem is a poem where certain letters in each line spell out a word or phrase. Typically, the first letters of each line are used to spell the message, but they can appear anywhere.

Pictured are some of their amazing poems.

Be the Nice Kid

Some kids are smarter than you,
some kids have cooler clothes than you,
some kids are better at sports than you.
It doesn't matter.

You have your thing too.

Be the kid who can get along.

Be the kid who is generous.

Be the kid who is happy for other people.

Be the kid who does the right thing.

Be the nice kid.
