On Thursday, 7 June some of the U9 boys and girls were selected to take part in the Crawford comrades. This event is always very exciting. The boys took part in the first running event and ran with such determination. A special mention to Ben Watson for coming 19th and Seth Hopkins for coming 20th. The girls then went on to do their run and a very special mention must be made to Ndondo Ntombela who came 5th and made us so proud. The boys and girls then took part in a relay and our boys came 5th. Well done boys and girls we are so proud of you.

## Grade 3 Netball

On Saturday the 02 June the U9A and U9B girls played a tournament at Atholton Primary. We played 4 matches each. Both teams played with great skill and determination. The girl's perseverance and fantastic teamwork led them to a victorious result in winning all their matches. Mrs Daniel and Mrs Jacobs are extremely proud of the girls in the way they played their matches and showing good sportsmanship.

All the best for your last game next week.

## Grade 3 Mini-Soccer

On Saturday 02 June, the U9A and U9B soccer teams played their last mini soccer festival for the term. The festival was played at Atholton Primary and all the boys were eager to do well in the last festival. Our teams played exceptionally well, with the A's winning 3 and drawing 1 match and the B's also winning 3 and drawing 1 of their matches.

This last festival capped off an awesome soccer season for both teams, with the A's not losing a match and the B's only losing 1 all term. Well done to everyone who played this term, you have been fantastic and we are all proud of you.

Good luck for your last few matches,

## GRADE 2 - MRS BALT

I dont want any more plasick  
 😞 sad 😞 sad 😞 sad

Today the children at the Northway Campus celebrated World Environment Day. They dressed up in green, learnt about pollution and conservation and chose how they would make changes in their homes and daily lives to combat the environmental crisis we currently find ourselves in.

It was an all-round plastic free, environmentally safe, happy day!

## Comrades Marathon - June 2018

We will be cheering for all the parents participating and our very own Miss Carrie Mason who will be running her 2nd Comrades this Sunday.

### Runners Poem by Andy Wintle

Just until the next corner, the next tree  
 Just until the pack I can see  
 Keeping silent the doubt inside  
 Running harder so success can't hide  
 Keep going through this burning chest  
 Sweat pinning my number to my vest  
 Breathing louder as we get higher  
 My legs burn but refuse to tire  
 How much further can I push  
 Miles in and the ends my only wish  
 My shoes thumping as they hit the ground  
 Music sung to the rhythmic sound  
 One more corner, one more road  
 Fatigue wrestling with every stride strode  
 I can't give up after coming this far  
 Oh but for a glimpse of the pace car  
 Just a little further, just a little more  
 Failure so much worse than the physical sore  
 Tomorrow I'll be grateful for not giving in  
 Every race a challenge, every run a win.
