Achievements

Recycling Winners

1st	- Mrs Wells (170kgs)
2nd	- Mrs Willis (149kgs)
3rd	- Mrs Mundy (123kgs)

Value of the Month : Honesty and Integrity

Sport

Mini Cricket – Grade 2 & 3

On Saturday 25 February the Grade 2's and 3's played mini cricket at Durban North College. Grade 3 team 1 played La Lucia Junior Primary and Grade 3 team 2 played Penzance. Unfortunately both teams lost. Grade 2 team 1 played Crawford La Lucia and won and team 2 played Ashton and lost. This term the boys have all experienced winning and losing. The teachers, parents and coaches are extremely proud of your commitment to the sport, your improvement during the term and your excellent behaviour. Well done boys.

Miss Mason and Coach Daloshen

U9A Hardball Cricket

On Friday 24 February the U9A cricket boys played against Ashton at Chelsea. Chelsea won the match by 7 wickets and sported excellent team work. Special mention must go to Jamie Wimble who scored 32 runs not out. The boys played incredibly well and made their school proud with their beautiful manners and team spirit. Keep up the excellent work you super stars!!

Coach Daloshen and Mrs Willis.

U9B Hardball Cricket

Our U9B boys played their hearts out on Friday despite the threat of rain at Ashton. The boys beat Ashton by 10 runs. Special mention to Ryde Brisset who took 3 wickets almost in a row! The match was very exciting and the boy's manners and behaviour while waiting to bat was impressive. Keep up the good spirit boys. We look forward to your next matches.

Miss Meyer and Coach Taylor

U9C Hardball Cricket

The U9C cricket boys played cricket against Umhlali C at Umhlali. Unfortunately the boys lost by 30 runs. Well done to the boys for their determination.

Miss Neale and Coach Allistair

U/9A Girls' Netball Report

On Monday 27 February 2017 our U/9A side netball girls played a game against Glenwood Primary School U/9A. In the first half hour the girls managed to get one goal in with great effort, while the second half did in fact take a bit of a rough turn. However, despite the end result being a loss on our side, the girls played their hearts out from the beginning of the match until the end. They showed great strength, courage and good sportsmanship towards the other team. We are very proud of the girls and looking forward to working harder and getting better results.

From Miss Nzuzza and Coach Deloshan

Ice Lollie Fun!!

Pupils from Mrs Lawson's grade 2 class enjoying ice lollies during one of Durban's very warm days!!

Good advice for parents - Rod Smith Column

Allow children of all ages to face the inevitable challenges that come their way:

If you "help" and run to their aid, your assistance and anxiety suggests your children are incapable without you.

Your anxiety becomes another task or challenge they must endure. They probably have enough on their hands without having to assist you with what you are facing. Make things easier by getting out of the way.

When children adjust and accomplish things without their parents' help the children get the helpful message that they are capable of facing tougher and more crucial challenges in the future.

Your children are probably going to be better at facing life's challenges than you. Letting them face things without you shows that you believe in their abilities and are more invested in their success than you are in their dependence.

Your children deserve the freedom to explore the world and to discover their capabilities. That's close to impossible if the parents insist on paving the way for them.

Your children need you to step in, and nothing should stop you, if you detect cruelty or neglect or bullying, otherwise, do the loving thing and let them face whatever it is without you.

Choir Festival at Durban Girls College

Our Northway choir performed 2 items at Durban Girls College on Wednesday evening, 01 March. They were amazing and we are so proud of them and Mrs Francis, our Music Teacher.
