Value of the Month : Making Corrøet Choices.

Sport

CHESS

On Saturday, 13 May, Chelsea took part in a Chess tournament held at Virginia Preparatory School. We took 6 players to the event which started at 08:30 and finished at 15:30. 12 Schools took part in the tournament and although Chelsea did not place in the top 3, we did do exceptionally well and Mrs Lawson was incredibly proud of our players and the many games they won. It was a long and cold day but our team never once lost their enthusiasm and smiles and were exceptionally well behaved and polite the whole day. A special thank you to our wonderful parents who supported our team throughout the tournament, you really stood out with your dedication and good cheer. It truly was a lovely day where our team experienced chess on a very competitive level and learned a great deal in the process.

What's been happening at Northway!

Slipper Day

Friday, 12 May Chelsea Preparatory learners celebrated Slipper Day by wearing an array of fun and furry slippers.

Mother's Day

Mother's Day was last week Sunday and the Grade 3 learners put on a Mother's Day Celebration and tea for their moms to remind them how much they are loved and appreciated.

Grade R Playground

The Grade R playground has just had its garden landscaped with some fun new additions for the grade R learners, such as flowers growing out of gumboots, flamingos and big pink mushrooms as well as an area for the girls to enjoy a tea!
