“Please encourage your children to participate in the Speech and Drama Festival. Entries close on 19 June 2017”

Well done to all our parents who ran the Comrades Marathon on Sunday. Test week will almost be over by the time you receive this newsletter. Staff are busy marking and tallying results which we will review soon. Whilst

many children appear to be achieving results of which they can be proud, we need to look carefully at pupils who struggle to earn marks of a reasonable standard in subjects like History, Geography and Science.

Extra mural activities return to normal from Monday 12 June 2017 and we host the Retired Teachers' Association Meeting on 13 June 2017 for which we provide a short programme of entertainment.

Please note there will be a hair and uniform inspection on Monday, 12 June 2017. We request you check that all items of school uniform are clearly marked with your child's full name.

Letters have been sent out requesting pupils to participate in the Speech and Drama Festival in term three. Entries need to be in by Monday 19 June 2017 together with the payment. I encourage all pupils to participate, as this adds another dimension to education. Mrs Knowler is extremely passionate and knowledgeable with regards to speech and drama, and whilst pupils will obviously need to learn their poems at home, she will be on hand to give guidance.

Beskrywing van die kat

My klein kat is weg. Sy is oranje met pienk ore, blou oë en 'n klein neus. Sy hou van mense. Sy hou daarvan om te spin. Sy is ook kort. Sy was laas om nege uur in die oggend in my tuin langs die pienk blomme gesien.

SPORTS NEWS

Dear Parent

I must say it has been a very strange last week for everyone in the Sports department. We have really been feeling "out of sorts" with no sport in the afternoons and on Saturday. We are actually counting the days until the examinations are over so that we can resume our normal lives.

We have one more set of home rugby and netball fixtures vs Northlands on Wednesday 14 June. Thereafter, we play limited rugby matches and netball matches against Ashton College in Ballito (Tuesday 20 June) and against Westville in Westville (Monday 26 June). Unfortunately the matches against Westville will not include 1st team rugby and netball as a number of our pupils will be away in Cape Town on hockey tour, and this fixture could not be moved.

With our trips to Ashton and Westville a letter will be sent home next week enquiring if your child will need transport to these

venues. The school busses will not be able to transport all pupils requiring transport and we will have to hire an additional bus should many pupils need transport. Please fill in this letter about transport when it arrives and return it to your child's class teacher promptly so arrangements can be made.

Congratulations to the following pupils who were selected to the various KZN hockey teams:

- Ross Graham
- Mitchell Jagga
- Saurav Matai
- Josh Northend
- Olivia McDonald
- Olivia Hansen
- Chelsea Peterson
- Sarah Bright
- Brooklyn Baker
- Emma Christianson

Our Chelsea rugby teams playing their hearts out against Virginia.

GRADE 4

Our Fraction Friends

Maths done in Grade 4 Mrs Walker's class.

GRADE 5 ART

Pencil Crayon Techniques

Grade fives have been learning pencil crayon techniques.

They then used these skills to create the element of form by shading with different tonal values.

Their eventual goal was to create a three dimensional form from a two dimensional design, using layers of coloured pencil crayons.

Here is the work of Elly Talbot and Mandisa Zulu.

ART CLUB

Stained Glass Windows

Our Art club are busy making mock 'Stained Glass Windows', using their own original designs.

We used black card for the framework and Coloured Tissue paper for the coloured glass.

They catch the sun beautifully in the Art Room with the low angles of the winter sun.

GRADE 7

Design and Technology Projects

Our Grade 7 pupils had to design and build a cell phone tower for Design and Technology.

Teams had to present their projects and explain their design and the materials used.

FULL STOP

Family and Office

I banged into a stranger as he passed by, 'Oh excuse me please' was my response. 'He said, 'Please excuse me too; I couldn't see you coming. We were very polite, this stranger and I. We said goodbye and went on our way. But at home a different story unfolds. How we treat our loved ones, young and old.

Later that day, cooking the evening meal, my son stood beside me very still. When I turned, I nearly knocked him down. 'Move out of the way,' I said with a frown, a little harshly. He walked away, his little heart broken. I didn't realize how harshly I'd spoken. While I lay resting in bed, God's small voice came to me and said, 'While dealing with a stranger, common courtesy you use, but the family you love, you seem to abuse. Go and look on the kitchen floor, you'll find some flowers there by the door. Those are the flowers he brought for you. He picked them himself: pink, yellow and blue. He stood very quietly not to spoil the surprise. You never saw the tears that filled his little eyes.' By this time, I felt very small, and now my tears began to fall. I quietly went and knelt by his bed; 'wake up, little one, wake up,' I said. Are these the flowers you picked for me?' He smiled, 'I found them, out by the tree ... I picked them because they're pretty like you. I knew you'd like them, especially the blue. 'I said, 'Son, I'm very sorry for the way I acted today; I shouldn't have yelled at you that way.' He said, 'Oh, Mom, that's okay. I love you anyway.' I said, 'Son, I love you too, and I do like flowers, especially the blue.'

Are you aware that if we died tomorrow, the company that we are working for could easily replace us in a matter of days? But the family we left behind will feel the loss for the rest of their lives. And come to think of it, we pour ourselves more into work than into our own family, an unwise investment indeed, don't you think? So what is the lesson behind the story? Do you know what the word family means?
