From the Deputy

Principal's Desk

"Please join us on 30 August for a "Hats Off and Happy Birthday" farewell for Mr Nel."

Please diarise the 30 August 2017 at 6:00 pm to join us on the Chelsea field for a farewell braai to Mr Nel who retires at the end of August after twenty seven years as principal. The theme is "Hats Off and Happy Birthday" to Mr Nel. It is his birthday and we know many parents and Chelsea families would like to wish him well. Please wear a hat – the more creative the better, and let's have some fun.

We have indeed been privileged to be led by a man of such integrity and vision, a man who has built Chelsea to what it is today. We would like to give Mr Nel a farewell gift to thank him for his years of dedication. If you would like to contribute towards the gift, please send your contribution to the finance office.

S WILLIAMS (Mrs)

DEPUTY PRINCIPAL

THE ELEMENTS OF ART

Shape

In Art, shape is created by a closed line. In other words a line that connects itself or another line will create a shape. The easiest way to understand shape is to think of it as a shadow: it has an outline, it is solid, it is flat in form and it does not have to have any detail inside it.

This is the display board from the Grade 5 corridor.

Sports News

Dear Parents

Welcome back from what I hope was a restful and happy holiday spent with your children. This is the first submission to the signal from the Sports Department for this term. The third term is dominated by hockey and cross country and the hope of the Sports Department is that parents encourage their children to play hockey this term. What we have found in previous years is that there has been a reluctance from some parents to allow their children to play hockey in the third term for the following two reasons:

1. Hockey practice takes place off the school premises, namely at Northwood.
2. Practices for the older children tend to finish later than for the other codes.

Whilst we understand that the above two situations are not ideal, practices and times are determined by the available days that Chelsea has purchased from Northwood for our use in term three. One of the main motivating factors in the school purchasing the two buses was to assist parents in getting their children to and from hockey practices at Northwood.

The number of teams we are able to field for hockey directly impacts on whether schools, that we traditionally play netball, cricket and rugby against, will consider playing sport against us in future or rather replace Chelsea with another school who is able to provide them with enough teams in every code including hockey. This will mean that in future schools will rather choose not to play any codes against Chelsea if we cannot guarantee them a full range of teams in every code.

Parents are reminded of the following:

1. An amount of R200 is charged and payable for transportation to Northwood for hockey practices: This amount covers transportation for the entire term for both days of practice.
2. The hockey levy of R100 is due for all children playing hockey, this is to offset the cost of the astroturf hire.
3. Practice days are as follows: Boys – Mondays and Wednesdays; Girls – Tuesdays and Wednesdays.

Congratulations to:

All our Chelsea pupils who successfully represented KZN at the various hockey inter-provincials that were held during the June holidays. Many of our pupils won medals with their respective teams.

Our 1st team hockey boys and girls on their results in the following hockey tours:

1. Cape Town boys won two out of four matches
2. Cape Town girls won all four matches
3. Midlands boys won five out of the seven matches played
4. Midlands girls won six out of the seven matches played

To our two U10 and U11 boys and girls teams who played at the Chelsea hockey festivals whose results were as follows:

- U10 boys won 4, tied 1
- U10 girls won 4, lost 1
- U11 boys won 3, tied 1
- U11 girls won 5

Hockey vs Fatima

- Chelsea U10B vs Fatima U10B on Tuesday 1 August at 2:30 – 3:05 pm at Northwood Astro, coach Mr McNally, umpire Mr Fenske

FULL STOP

Control Your Anger

There once was a little boy who had a very bad temper. His father decided to hand him a bag of nails and said that every time the boy lost his temper, he had to hammer a nail into the fence.

On the first day, the boy hammered 37 nails into that fence. The boy gradually began to control his temper over the next few weeks, and the number of nails he was hammering into the fence slowly decreased. He discovered it was easier to control his temper than to hammer those nails into the fence.

Finally, the day came when the boy didn't lose his temper at all. He told his father the news and the father suggested that the boy should now pull out a nail every day he kept his temper under control.

The days passed and the young boy was finally able to tell his father that all the nails were gone. The father took his son by the hand and led him to the fence.

"You have done well, my son, but look at the holes in the fence. The fence will never be the same. When you say things in anger, they leave a scar just like this one. You can put a knife in a man and draw it out. It won't matter how many times you say I'm sorry, the wound is still there."

Moral of the story:

Control your anger, and don't say things to people in the heat of the moment, that you may later regret. Some things in life, you are unable to take back.
