Sport

Cross Country

On Friday, 04 August the following grade 3's competed in cross country at Crawford La Lucia: Tristan Nel, Keira Hunter, Cole Nienhuser, Hayley de Kock and Emma Schoombee. All of them ran so well and did their absolute best. The track was 2 kilometres and they ran it with perseverance and determination, despite a few nerves. Hayley de Kock placed 1st in the under 9 girl's category and Keira Hunter placed 4th in the under 9 girls category. Tristan Nel placed 17th in the U9 boys category and Cole placed 18th. Well done to all of you, we are so proud of each of you and look forward to the rest of the season.

Boys Hockey

On Tuesday, 08 August the U9 boys played a series of matches against Umhlali at Northwood Boys High School. Despite the long weeks of rehearsing and having concert performances the boys did us very proud, with 2 unfortunate losses and 2 wonderful wins. They played with great enthusiasm and dedication applying all the skills and training that were taught in practice.

We are very proud of the boys and how they have started off their hockey season so far and are looking forward to the rest of the season.

Girls Hockey

On Tuesday, 08 August our girls took to the field for their second game of the season. Despite the late night they had at the concert the night before, they mustered up all their strength and energy to play against Umhlali Primary School. The girls played with heart and determination with the end result being 3 wins and 1 loss.

Regardless of the end scores, the girls had great fun out on the field, which is the aim of the game. Well done to our incredible hockey stars, we are very proud of you.
