## GIRLS HOCKEY

The U9 A and B girl teams played against 5 different schools on Saturday morning at Crawford North Coast. Excitement filled the air as the girls got ready to play the various teams. The girls played incredibly well using teamwork and following the advice from their coaches. The A team won all of their matches and the B team won two, drew one and lost one. There has been such a major improvement in the girls' hockey skills and we are super excited to see what they have in store for us in the rest of the season. Wonderful work girls, keep it up!

Miss Meyer

## BOYS HOCKEY

We saw the boys take part in their second hockey festival of the season this past weekend. Both the A and B team played 4 matches each. The B team lost 2 matches and won 2. Well done boys for displaying great skill and grit throughout your matches. The A team won all 4 their matches. Their determination and perseverance shone through and they capitalised on their movements learnt every time they were in a shooting position.

Well done to all the hockey boys – We are very proud of you. You played your hearts out. Looking forward to your next matches.

All the Coaches, Mrs Brand and Mrs Willis

## Cross Country

On Friday 11 August the following children participated in cross country at Crawford North Coast :

Hayley de Kock, Kiera Hunter, Emma Schoombee, Luc Brand and Cole Nienhuser. The track was 2km, they all ran very well and made us very proud and they represented their school with pride. Well done !

## GIRLS HOCKEY

On a windy and cold Thursday afternoon, our girls braved the weather and headed to Riverside to play hockey fixtures against Fatima. The girls played exceptionally. They passed wide, tackled the opponents skilfully and worked well together as a team. Every teacher and coach who stood on the side-lines and watched them play, did so with pride. The games were wonderful to watch. In the end we won four games and narrowly lost one. It was a great day of hockey. Well done to all the girls who played and made our day such a happy one. We are VERY proud of you!

Mrs Balt, Miss Meyer, Coach Daloshen and Coaches.
