Sport

BOYS HOCKEY

The boys A and B team played at Reddam House on 26 August. Despite playing under different circumstances they played very well. They played 5 matches each and some they won and some they lost. Well done to the boys who behaved and carried themselves so well on the day! We are very proud of you.

Mrs Willis, Mrs Brand and Coaches.

GIRLS HOCKEY

On Saturday, 26 August the girls A and B hockey teams played in a festival at Reddam House. The B team played well considering it was the first time playing on a grass field. They won 3 of their 4 matches and drew 1. The A team played against some hard competition and showed the other girls what Chelsea is made of. They won 2 matches and drew 2. We are so proud of you girls for your constant dedication and enthusiasm.

GIRLS HOCKEY

On Saturday, 26 August our C and D teams played a fixture against Durban Girls College. The girls played their absolute best and managed to score two well deserved goals. Unfortunately, we did not win the games, however, despite the tough competition our girls left the fields feeling determined and proud of themselves. We were so proud of how the girls presented themselves and carried their heads high despite the end result. True Chelsea sportswomen. Well done girls we think you are amazing!

WATER EXPLORER CHALLENGE

Mrs Daniel's class completed two more ACTIVITIES on the WATER EXPLORER CHALLENGES. The learners have involved great participation with their families by completing a FAMILY CHALLENGE. They also learnt about SECRET WATER and ways in which we can use less water in preparing our food. With all the activities that they were involved in for this year, we were glad to find out that we won a CANON CAMERA for our school. CONGRATULATIONS GRADE 3 MRS DANIEL'S CLASS FOR ALL YOUR HARDWORK.

Goodbye Mr Nel...

This week we said farewell to Mr Nel as he retired and we wished him happy birthday at special functions at both campuses of Chelsea Preparatory.
