## CROSS COUNTRY

On Friday afternoon the following children ran cross country at Riverside: Hayley, Keira, Emma, Ruby, Cole, Luc, Nathan and Tristan. They did us so proud and truly represented Chelsea! In the Under 9 category Keira placed 5th, Hayley 6th, Emma 14th and Ruby 13th, Cole placed 11th, Nathan 21st, Luc 22nd and Tristan 27th. These are outstanding results, well done to all of you - we are very proud of you all!

## U9 BOYS HOCKEY

Last week Tuesday the U9 A and B boys played against Reddam House. The B team played really well, they defended well and attacked when they needed to. Their score was 1 - 1. The A team was a bit slow off the mark but quickly got it together. By half time they were 3 - 0 down. The second half we saw some fantastic play from the boys. They scored 2 goals. Although they lost 3 - 1, they need to be commended for their beautiful display of skills.

## U9 GIRLS HOCKEY

On Monday, 04 September our girls played hockey against Reddam House in Umhlanga. The girls played superbly. Their passes were wide, they pressed hard and they ran as fast as their legs could take them. They worked together skilfully as a team and as a result they were unbeatable. The A team won 12 - 1 and the B team won 11 - 0. We are so proud on the side-line watching you girls play. Well done, hockey champions.
