### **It is important to note the following:**

2. The acceptance of siblings is not automatic.
3. Closing date for application is 31 March although admissions will commence immediately the first term opens and continue until the school is deemed full.

If a parent gained entrance for his/her child to this school by making a false statement regarding his/her place of residence or any other information, the school is entitled to revoke the agreement, which allowed the learner concerned admission to this school.

The high standard of education set at Chelsea Preparatory School is dependent on the **compulsory** school fees paid by parents. The 2018 fee is R29 900.00 per annum. This is expected to increase in 2019.

**Application from a foreigner must be accompanied by appropriate documentation for entry into a South African School. This must include Resident Permit and Study Visa**

### **GRADE R**

Prospective Grade R parents are requested to note that Grade R is not part of the compulsory schooling phase. The school therefore receives minimal state funding and Grade R is financed largely via the fees paid by the pupils in this grade. It has, because of this, been resolved by our Board of Governors that we cannot offer assistance to any parents who have children in Grade R. Our school is not bound by law to offer assistance in terms of the South African Education Act and we cannot expect a small group of parents in this grade to subsidize other children.

Parents are thus cautioned when enrolling pupils in this grade that it is with the clear understanding that 'no assistance can be offered with the prescribed school fees.'

Thank you for your interest in Chelsea and we wish you well in finding the correct school for your child.
