## CRICKET

The U9 cricketers enjoyed a Cricket Festival last week Friday which was held at Chelsea Campus. Crawford La Lucia, Ashton, Penzance, Glenwood, Glenashley Junior Primary, La Lucia Junior Primary and Northlands joined in the fun.

The boys had lots of fun and played really good cricket. I am so proud of the way they performed and the enthusiasm shown during the games.

Looking forward to an exciting cricket season during this 4th term.

Coach Daloshen.

## Grade 3 Excursion to Tala Game Reserve

The Grade 3 learners went on an exciting excursion to Tala Game Reserve. The learners went on game drives and learnt a lot of interesting information about the wildlife living in the reserve.

Inspiration : Success is the sum of small efforts repeated day in and day out.
