Sport

Cricket U9 A

On the 20th of October Chelsea A team played Ashton College A team. Chelsea won the toss and chose to bowl first. Ashton College made 105 for 5. Well done to our bowlers. You were on top form.

Chelsea then went into bat. We started out slow but soon our spirits were lifted. It was a very tight game and our boys needed to make 5 runs off our very last ball. The boys ended up running and making 5 runs off their last ball. We won by one wicket. A special mention must be made to Jamie Wimble and James Searle.
