MINI CRICKET

It was another spectacular Saturday morning filled with smiles and laughter. Our Chelsea boys were ready for their weekend dosage of cricket. The gloomy weather can dampen the cricket fields but will never dampen our kids spirits.

Team 1 played Atholton and won. Well done to Alex for making 22 runs and Dhilan for taking 5 wickets.
Team 2 played Durban North Primary and won. Well done to Jayden for making 23 runs.

Our Chelsea boys are awesome. They hit, they ran, I think that's the plan! Gooooooo Chelsea!

MINI CRICKET

Despite the rainy weather on Saturday the grade 2 Mini Cricket boys were full of energy and enthusiasm. The B team boys played Penzance B. Penzance made 63 runs but our boys managed to win the match with 87 runs. The A team played against Glenashley A and also won their match with 75 runs to Glenashley's 47 runs. The A team also managed to take 20 wickets. The boys showed superb bowling and batting skills as well as amazing communication during the game.

Miss Neale, Coach Dijon and Coach Tylo have had such pleasure in coaching these teams.

U9B CRICKET

On Friday, 10 November Chelsea B team played Crawford La Lucia at Chelsea. Chelsea won the toss and was selected to bat. Chelsea made 143 for 3. The boys played like absolute champions but unfortunately the game was rained out.

Well done B team!
