Grade 2 - Mrs Lawson

My class received a special package from the north pole. It contained a very naughty elf that will live in our classroom for a little while. After much debate, our class named her Cheeky Trixie Pixel. Let's hope she behaves herself when Mrs Lawson is not keeping an eye on her.

Day 1 - Cheeky stole Mrs Lawson's stickers.

Day 2 - Cheeky used our classes glitter to make snow angels.

MINI CRICKET

The Chelsea Mini Cricket on Saturday was very entertaining to watch. With the weather being sunny and warm our Chelsea boys displayed great cricket ability. Our Grade 2 boys showed amazing determination with our Chelsea A team beating Penzance by 16 runs as well as taking 20 of their wickets. Unfortunately our Chelsea B lost to Clifton by 35 runs.

Our Grade 3 boys played with such focus and eagerness. The A team beat Durban North Primary by 41 runs and took 18 of their wickets. Our B team also won their game against Durban North Primary by taking 17 of their wickets. A special mention needs to be made of Cameron White and Travis Bentley from Grade 1 who came to help out our Grade 3 teams. The boys have showed such talent this term and the coaches and Miss Neale wish the boys good luck for our last matches this coming weekend.
