### Championship Gala

On Monday, 05 February a few of our grade 3 squad swimmers participated in the Chelsea championship gala. Our swimmers swam against each other and did their absolute best! It was a first gala for many of our swimmers, so despite the nerves our children did very well. A special congratulations to Lara Nel for winning the U9 girl's championship trophy and to Izarra Gannes and Isabella Slater for sharing second place. Tré O'Sullivan and Ben Watson shared the U9 boy's championship trophy and Seth Hopkins won third place. We are so proud of all the children who swam and gave their all! We look forward to an exciting swimming season ahead.

## Grade 1, 2 and 3 Squad Swimming

On Thursday 08 February our very excited grade 1, 2 and 3 squad swimmers took part in a gala held at Reddam House. Our swimmers had to swim against six other schools. The size and depth of the pool was a little overwhelming for some of our swimmers but this did not deter them from achieving their absolutely amazing results.

Well done to all our swimming champs, we are so incredibly proud of each and every one of you! We want to congratulate you on your impressive swimming and super Chelsea team spirit. You have done yourselves and Chelsea proud!

## Veggie Garden

A big thank you to the wonderful mums from Mrs Daniel's class who spent their Friday morning replanting in our veggie garden. The learners and parents had such fun working together and learning about the different types of seedlings. Each learner got a chance to plant and have been encouraged to look after their own plant. It was a really awesome morning filled with hard work and enthusiasm. Now our garden looks fantastic and we are proud to have instilled an appreciation of nature amongst the learners.
