U9B Cricket

On Friday, 02 March, the U9B boys played a hardball cricket match against Atholton Primary U9A at Chelsea Prep. Our boys fielded first and gave of their best in the field, unfortunately the bowlers gave away too many extras and this resulted in Atholton scoring 96 runs in their 20 overs. Going in to bat, our boys started confidently and scored quick runs. Eventually the regular loss of wickets slowed us down and we eventually were bowled out for 85 runs, losing the match by 11 runs. A special mention to Thomas Kirton for batting fantastically and scoring 29 runs. The U9B boys also played a match on Saturday, 03 March. This was a practice match against the Chelsea U10D boys. Our U9's were fantastic as they batted first and scored quick runs and displayed intelligent batting, eventually scoring 115 runs in 20 overs. Our boys then fielded and showed that they are learning from their previous mistakes. Eventually we restricted the U10's to just 85 runs in their 20 overs, meaning our U9's won by 30 runs. Well done to Sam Wynne-Cole for scoring 30 runs without getting out and Daniel Du Plessis for taking two wickets.

Our U9B boys showed great character this weekend and are improving every week. Well done boys for listening well and learning from previous matches.

Water awareness!

The grade 3 learners were visited by Julia Colvin from Water Explorers. She did an amazing lesson on the Water Cycle. We had such fun learning about the water cycle and the kids really enjoyed all the activities. Each learner made a water cycle in a bag at the end of the lesson.

Chelsea Preparatory School (Northway Campus) showed their support in raising awareness for saving water by participating in their annual water walk. Thank you to all who donated water.
