Sport

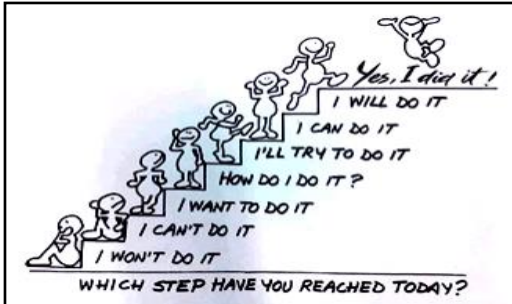

Cross Country

On Friday, 27 July the grade 3 boys and girls participated in their first league Cross Country run. The run was held at Riverside Sports Club and the race was over a distance of 2 kilometers. Our grade 3's were excited and eager to do well in their first run and all their performances were excellent. Four boys finished in the top 20 for the boys race and Five girls finished in the top 20 girls race. A special mention for Tré O'Sullivan who finished 6th in the boys race and Ndondo Ntombela finished 2nd place in the girls race. This was against almost 100 other boys and girls. Our runners did us proud and we are looking forward to them improving as the term goes along. Well done boys and girls.

Mrs Mundy and Mr Govender
