## Sport

### Cross Country

On Friday, 03 August some of the U9 boys and girls were selected to run in the Cross-Country at Crawford North Coast. The girls participated in the first event of the afternoon with great excitement. A special mention of Ndondo Ntombela who came 2nd and Gemma Donnellan came 6th. The boys soon followed suit with great eagerness and a special mention must be made of Tré O'Sullivan who came 7th. Both boys and girls ran against over 50 other children. We are so proud of everyone for running with such enthusiasm and a smile on their faces even after realising that the run was further than expected and that it included steep hills and different types of uneven terrain.

Well done everyone!

Perseverance is not a long race;  
it is many short races one after the other.
