GRADE 2 & 3 MINI-CRICKET

We were lucky to have lovely, cool weather for the last tournament of the season. This week our teams faced Ashton, Penzance, Atholton and La Lucia. We won against Atholton and La Lucia, but were defeated by Ashton and Penzance. It was an exciting morning and it was encouraging to see how much the boys and girls have grown in skills and confidence. Well done. Mrs Wells, Mrs Mathurine and the coaches.

TENNIS

The tennis children played their last match this week. And what fun they had! We were so impressed with a few rallies and them using all the skills they have practised this term! Well done children! We are so proud of you. We look forward to Term 4 when we can get back onto the courts!

GRADE 3 GALA

On Thursday, 7 March the Grade 3 squad swimmers competed in a gala at Crawford La Lucia. Wow, the results were amazing! Out of the 30 races, Chelsea placed 1st in 27 races and 2nd in 3 races. We are so proud of each and every swimmer who has trained so hard this term to achieve these results. Thank you for putting in the effort and hard work. We are proud to be your coaches! Our swimming season has ended with a bang and we look forward to the continuation of training to see these amazing results again in the fourth term! Mrs Williams and Mrs Botha
