Sport

U9 RUGBY

Our U9A, B and C teams played with determination against Highbury on Saturday. The boys kept their spirits high and played hard. The scores were as follows:

The A team won 24 - 5. The B team lost 15 - 5. The C team drew 15 all.

Your coaches and teachers are so proud of each of you and look forward to your next match. Coach Daloshen, Mrs Mundy, Mrs Barnard and all of the U9 Coaches.

U9 NETBALL

On Wednesday, 17th April, the U9A and B teams played a match against Umhlali on the Chelsea Campus. It was amazing to see the skill and pace shown by the girls. They were focused and showed good team work. Both teams scored very well beating the opposition by a good leading score. The Chelsea A team beat Umhlali 15 - 1. The Chelsea B team beat Umhlali 13 - 3. Well done to both the teams and we are extremely proud of you. We are looking forward to a favourable netball season. From Coach Caitlyn and Mrs Daniel.

GRADE 2 MEASUREMENT

On Thursday, 25th April, the Grade 2 teachers decided it was time to spice up teaching! Instead of all the teachers teaching measurement to our own classes, we decided we could each teach one concept in detail to each class in Grade 2. So some teachers taught Mass theory then the class would move to the next teacher who did Mass practical. Then they would go to another teacher for length theory and another for length practical and the same with capacity. We were able to expose the children to different teaching styles and all the Grade 2 teachers could get to know all the children a bit better and give them a well prepared meaningful lesson. Stations were set up, and the learners rotated classes every 15 minutes. It was such fun! The Grade 2 Teachers.
