3. An invoice for the term will be issued within 7 working days of the start of each term.
4. Payment options are as follows:
 - Upfront in full for the term before the end of the first month of the term;
 - Ten equal monthly instalments commencing January to October. To calculate the amount of the monthly instalments, multiply the amount due per term by 4 and then divide by 10.
5. Please ensure that payments are made timeously with no deviation from the payment option chosen, failing which we reserve the right to refuse your child entry to Aftercare until payment is up to date.

Points for your information and attention

1. Due to COVID-19, all aftercare placements are provisional, and we reserve the right to restrict attendance in order to follow COVID-19 protocols.
2. Please email or message me if your child is not attending Aftercare on any particular day and if your child will be fetched by anyone other than the usual. On collecting your child, you will be required to walk into the gated area of Aftercare at the drop off zone and sign your child out every day. Your child may then leave through the same gate assisted by you. Staff are not permitted to allow children to walk to cars unattended. As well as signing your child out, please be so kind as to let at least one of the staff know you are taking your child. Please be cooperative in this regard, it is most important to ensure security and safety of your child.
3. Sandwiches and juice are provided at 13h30 each day.
4. Please provide a set of **old** play clothes each day. If your child remains in his school clothes at Aftercare he/she may not **under any circumstances** leave the premises half-dressed or without shoes and socks. Please mark all clothing carefully.
5. Costumes, caps and towels may be brought on Friday during the summer months. Swimming will be under supervision only with parents' permission.
6. **Please ensure your child is fetched on time i.e. strictly by 17h15** or at the time required for Aftercare. We will charge for overtime. This has been an ongoing problem, and simply **WILL NOT** be tolerated. We ask that you have a back-up in such cases where you may be late, and the name of the person nominated to collect your child in these circumstances be given to me. In addition, when fetching your child please ensure that the correct bags/clothing etc. are taken home. This has been a problem in the past and it is most inconvenient when the incorrect bags are taken.
7. Homework is supervised if required. However, it is the parents' responsibility to check all homework. If children have extramural activities and arrive at Aftercare late, time constraints may prevent us being able to do homework on those particular days.
8. Swearing, disrespect towards any of the staff, bullying of other children or any other form of bad behaviour will not be tolerated. This could lead to expulsion.
9. Please inform your child's Aftercare teacher of any extramural activities he/she will be attending. We need to know the days and times of extramural activities in order to ensure your child gets there and back on time. **Please update each term.**
10. A small tuck shop is run for an hour every Friday afternoon.
11. Please ensure the attached enrolment forms are completed and returned to Mrs Sorour to secure 2021 placement at Aftercare. Please include any vital information on this form.
12. Aftercare is closed during the school holidays and on public holidays. Aftercare will not operate on breakup day at the end of Term 4. We are open directly after the gala and sports day each year.
13. We do not allow children to bring their personal belongings such as toys and games to Aftercare. We will not be held responsible for the loss or damage to such items. We have a variety of toys, equipment and games at Aftercare so it is unnecessary for children to bring their own.

N.B. It is the parents' responsibility to enroll their own children into Aftercare. Chelsea Preparatory School provides the facility on the Junior Campus but it is not the Principal's responsibility to find placement for pupils.

In conclusion, please do not hesitate to phone me with any queries, special needs or instructions.
